I have gone carefully through the draft bye laws and have compared them with the Mysore bye laws The bye laws marked "A" are mostly Copies of the ones in force in Mysore In the case of the vaccination bye laws the words "Municipal Council" have been changed to "Municipality" & are based on the lines of those already sanctioned for Hotal Kere, Hiriyur &c The bye laws re Conduct of Municipal business differ most from the Mysore rules, the others differ but slightly I have noted in the margin of the drafts some suggestions for approval (or otherwise) subject to these the bye laws may be approved
